

## Contest Overview

# Canada's Greenest School

## ENTER NOW!!

Show your classmates, teachers, parents and future generations you really care about the sustainability of the world we live in by entering the 2010 Canada's Greenest School Contest<sup>SM</sup>. How? Submit an entry explaining what you'd do if you were in charge of making your school a greener, more eco-friendly place.

**Your entry can be in the form of a photo collection, music, a video, an essay, or photos of a diorama, collage or piece of artwork.** But no matter what form it takes, it must tell the world how you'd make your school experience the greenest in the country.

We will choose the top 10 finalists, then all of Canada will be invited to vote online for the ultimate champion. Students of any age can enter (although a parent or teacher will need to sponsor students under 13 years of age), except in Québec where students must be aged over 13 to be eligible. Group or class entries are also encouraged.

You have until April 5 to submit your entry. See full rules for all the details.!
